Pittsfield, MA- May 9, 2012: ScribeAmerica, LLC the nation's largest provider and industry standard in respect to professional training and management of certified medical scribes, today announces an agreement with Berkshire Medical Center to provide American College of Clinical Information Manager Certified (ACCIM) medical scribes to Berkshire Medical Center beginning July 2012. The scribes will conduct point of service documentation utilizing the electronic medical record.

ScribeAmerica will provide a turnkey solution for Berkshire Medical Center, our career project leaders will recruit, hire, train and manage this program in addition to providing everyone with the industry only; Scribe Textbook, Master Scribe Training process and Scribe Smart Phone Application

"We are excited to start a true partnership with Berkshire Medical Center, our certified medical scribes will offset EMR productivity losses, get the providers off computers and back into patient rooms, it's a win-win!" Dr. Michael Murphy, CEO stated.

About Berkshire Medical Center

Berkshire Medical Center, a 302-bed community hospital, is ranked among the Top 100 Hospitals™ and recipient of a Best in Value Award for 2010 by the Hospital Value Index and a recipient of HealthGrades Distinguished Hospital Award for Clinical Excellence for 2009. BMC has received numerous additional national honors and is dedicated to patient-centered care. BMC is a not for profit medical center fully accredited by The Joint Commission. As a medical center affiliated with Berkshire Health Systems, Berkshire Medical Center and its Hillcrest Campus serve all residents of Berkshire County, Massachusetts and communities in adjacent eastern New York, northwest Connecticut and southwest Vermont.

About ScribeAmerica

Since 2004, ScribeAmerica has essentially created the Scribe industry; we are the nation's largest professional scribe training and Management Company, present in over **140 healthcare facilities, in 30 states and employing more than 1500 scribes.** Our scribe programs and scribes stay current with all ACCIM guidelines and testing. We feel it is necessary to be certified in order to distinguish ourselves from less closely regulated scribe programs.
