ScribeAmerica to provide Certified Medical Scribes to Indiana Regional Medical Center, Indiana PA

Indiana, PA- April 13, 2012: ScribeAmerica, LLC the nation's largest provider and industry standard in respect to professional training and management of certified medical scribes. Today announces an agreement with Indiana Regional Medical Center (IRMC) to provide American College of Clinical Information Manager Certified (ACCIM) medical scribes to IRMC beginning July 2012. The scribes will conduct point of service documentation utilizing the electronic medical record.

ScribeAmerica will provide a turnkey solution for Indiana Regional Medical Center, our career project leaders will recruit, hire, train and manage this program in addition to providing everyone with the industry only; Scribe Textbook, Master Scribe Training process and Scribe Smart Phone Application

"We are excited to start a true partnership with Indiana Regional Medical Center, our certified medical scribes will offset EMR productivity losses, get the providers off computers and back into patient rooms, it's a win-win!" Dr. Michael Murphy, CEO stated.

About ScribeAmerica

Since 2004, ScribeAmerica has essentially created the Scribe industry; we are the nation's largest professional scribe training and Management Company, present in over **140 healthcare facilities, in 30 states and employing more than 1400 scribes**. Our scribe programs and scribes stay current with all **ACCIM** guidelines and testing. We feel it is necessary to be certified in order to distinguish ourselves from less closely regulated scribe programs.
