**New Orleans, LA- June 6, 2012:** ScribeAmerica, LLC the nation's largest provider and industry standard in respect to professional training and management of certified medical scribes, today announces an agreement with St. Thomas Community Health Center to provide American College of Clinical Information Manager Certified (ACCIM) medical scribes to St. Thomas Community Health Center Outpatient Clinic beginning July 1, 2012. The scribes will conduct point of service documentation utilizing the electronic medical record.

ScribeAmerica will provide a turnkey solution for St. Thomas Community Health Center, our career project leaders will recruit, hire, train and manage this program in addition to providing everyone with the industry only; Scribe Textbook, Master Scribe Training process and Scribe Smart Phone Application

"We are excited to start a true partnership with St. Thomas Community Health Center, our certified medical scribes will offset EMR productivity losses, get the providers off computers and back into patient rooms, it's a win-win!" Dr. Michael Murphy, CEO stated.

#### **About St. Thomas Community Health Center**

St. Thomas Community Health Center, a Federally Qualified Health Center, (FQHC), is a comprehensive Primary Care Facility serving both insured and uninsured patients in the New Orleans area. St. Thomas CHC has five full time primary care providers-3 physicians and 2 nurse practitioners, as well as a number of consultative providers. St Thomas CHC has also been recognized by the National Council for Quality Assurance as a Level III Patient Centered-Medical Home. The clinic opened in 1987, with the original site for the clinic being in the St Thomas Housing Development.

#### **About ScribeAmerica**

Since 2004, ScribeAmerica has essentially created the Scribe industry; we are the nation's largest professional scribe training and Management Company, present in over **150 healthcare facilities, in 30 states and employing more than 1500 scribes.** Our scribe programs and scribes stay current with all **ACCIM** guidelines and testing. We feel it is necessary to be certified in order to distinguish ourselves from less closely regulated scribe programs.
